
BIOGRAPHY

Name & Affiliation

Serge PIETERS

Biography

Serge Pieters is a gastronomic chef and sport dietitian with a great experience at the University Children's Hospital (Brussels) in the care of adolescent diabetics.

He gives advice to top athletes (> 45 Olympic Games participants), is involved in a nutrition programme for the European Space Agency and past-President of the Union Professionnelle des diététiciens de Langue Française (UPDLF) and is often solicited by the media.
