**Name & Affiliation**

Christopher A Birt, Department of Public Health and Policy, University of Liverpool, UK, and Section of Food and Nutrition, European Public Health Association, Utrecht, Netherlands.

**Biography**

Chris Birt is a public health physician; interested in cardiovascular prevention, as many determinants of CVD risk factors result from European policies, he has been active in European public health since 1990. Since 2010 he has been President of the EUPHA Section on Food and Nutrition. Chris teaches at the Universities of Liverpool and Maastricht.
