

Short Biography

BIOGRAPHY

Name & Institute

Professor Andrew Salter, Division of Food, Nutrition & Dietetics, School of Biosciences, University of Nottingham, Sutton Bonington Campus, Loughborough, LE12 5RD

Biography

Since joining the University of Nottingham in 1984, Andy Salter has maintained a research programme investigating the impact of diet on lipoprotein metabolism. In recent years, he has also developed interests focused on the sustainable production of novel sources of dietary lipids and proteins, as both human foods and animal feeds.
